Serving Veterans Throughout Vermont and New Hampshire

May 29, 2017

Missy Fleming
Member Services Manager
The Co-op Food Stores
Hanover, NH – Lebanon, NH – White River Junction, VT
missy@coopfoodstore.com

Dear Missy,

Thank you so much for selecting Friends of Veterans to receive your generous donation of \$1,886.29 collected through the Co-op's Pennies for Change program. We appreciate your financial assistance!

These funds were used in May to financially assist two veterans, one living in Vermont and the other living in New Hampshire. These donations assisted one veteran to re-connect his electricity after shut-off and the funds for the second veteran were used to pay his security deposit when he had to relocate because of a disability.

Thank you for your funding and thank your shoppers for their thoughtful donations that make a big difference in the lives of veterans who fall on difficult times.

For your information, I have attached a copy of our brochure that provides more detail on our program.

Gratefully,

Larry Daigle
