

Thank you so much for allowing the Mascoma Cooperative Preschool to participate in your Pennies for Change program. We are thrilled at receiving such a generous donation! Here is a summary that you may share with your customers:

The MCP will distribute the Pennies for Change donation in several ways. A primary focus will be to help keep tuition rates affordable for families, provide materials for the classroom, supplement the scholarship program, and replace the playground fence.

The Mascoma Cooperative Preschool (MCP) in Enfield NH is tremendously thankful for being a participant in the Co-ops Pennies for Change Program! The MCP is a non-profit organization which has served the Upper Valley for over 30 years. MCP provides a nurturing, structured, play-based, first classroom experience to three- and four-year olds. MCP's mission is to provide an environment to all families interested in exposing their child to a quality preschool program that focuses on the importance of social skills as well as readiness for entry into a kindergarten program.
