Dear Missy,

Thank you for being our Pennies for Change Partner in February. The \$1,898.41 donation was far more than we expected and serves as a reminder of the generosity of our neighbors.

In 2016, Stepping Stone and Next Step provided peer support to over 500 people across New Hampshire as we worked together to move toward mutually supportive relationships and mental wellness.

Proceeds from Pennies for Change will benefit our Members directly by providing free or low-cost trips and events, and indirectly by helping with renovations at our Centers.

Thank you again for your generosity. I look forward to working with you and The Co-op Food Stores as a future Pennies for Change Partner.

Sincerely,

Susan E. Seidler
Executive Director
