

DIVERSITY, EQUITY AND INCLUSION COMMITTEE MINUTES

NOV 1, 2019

Present: April Harkness, Allene Swienckowski, Liz Blum, Victoria Fullerton

Absent: Nora Paley, Lori Hildbrand, Benoit Roisin, Jessica Giordani

- January Forum:

April will call Kyle at Listen and ask if we can hold the forum there in conjunction with the Co-op dinner on a Thursday.

Liz called Migrant Justice and they will try to send someone to the forum if we can provide a driver.

- Policies

The committee discussed different policy ideas and will give them to the Gov. Committee to decide where they belong and how to put them in Policy Governance language consistent with the Co-ops policies.

- Future planning

The committee is concerned with future planning based on our changing and evolving community and will plan based on our vision statement: A well nourished community Cultivated through Cooperation.

We strive to make our work consonant with the statement and to enlarge our vision of Community as appropriate.
