The Policy Governance Model

Board leadership requires, above all, that the Board provide vision. To do so, the Board must first have an adequate vision of its own job. That role is best conceived neither as volunteer-helper nor as watchdog but as trustee-owner. Policy Governance is an approach to the job of governing that emphasizes values, vision, empowerment of both Board and employee, and the strategic ability to lead leaders.

Observing the principles of the Policy Governance model, a Board crafts its values into policies of the four types below. Policies written this way enable the Board to focus its wisdom into one central, brief document.

Ends

The Board defines which human needs are to be met, for whom, and at what cost. Written with a long-term perspective, these mission-related policies embody most of the Board's part of long-range planning.

Executive Limitations

The Board establishes the boundaries of acceptability within which employee methods and activities can responsibly be left to employees. These limiting policies, therefore, apply to employee's means rather than to ends.

Board-Executive Linkage

The Board clarifies the manner in which it delegates authority to employees as well as how it evaluates employee performance on provisions of the Ends and Executive Limitations policies.

Board Process

The Board determines its philosophy, its accountability, and specifics of its own job.

EL Global – Executive Limitations

The General Manager (GM) will not cause or allow any organizational practice, activity, decision, or circumstance that is unlawful, imprudent, unethical, or inconsistent with cooperative principles and values.

EL I – Planning

The General Manager may not cause or allow planning to deviate materially from a strategic, long-term plan to achieve the board's Ends priorities. Further, without limiting the scope of the foregoing by this enumeration, the General Manager may not cause or allow plans that:

EL 1.1 Lack expectations of achievement of a reasonable interpretation of Ends policies over multiple years, if necessary.

EL 1.1.1 Lack sufficient information to explain and justify assumptions.

EL 1.1.2 Fail to identify relevant environmental factors.

EL 1.2 Isolate our business from or do not provide appropriate support of the greater cooperative movement.

EL 1.7. Permit planning that endangers the fiscal soundness of future years or ignores the building of organizational capability sufficient to achieve Ends in future years.

EL 1.7.1. Operate without succession plans to facilitate smooth operations during key personnel transitions and ensure competent operation of the organization over the long term.

EL 1.7.2. Permit the organization to be without sufficient organizational capacity and current information about GM and board issues and processes for the competent operation to continue in the event of sudden loss of key management personnel.

EL 1.8 Are not updated at least annually.

EL 2 – Financial Condition and Performance

With respect to the actual ongoing activities of the Co-op, the General Manager may not jeopardize the current and long-term financial health or allow material deviation from Board priorities as stated in the Ends Policies.

Further, without limiting the scope of the foregoing by this enumeration, the General Manager may not cause or allow:

- EL 2.1:** Indebtedness of a type and level that jeopardizes the ability of the cooperative to repay its current and long-term debts in a timely and efficient fashion.
- EL 2.2:** Liquidity, or the ability to meet cash needs in a timely and efficient fashion, to be insufficient.
- EL 2.3:** Any requirements of contracts, payroll, loans, or other financial obligations to be unmet or overdue.
- EL 2.4:** Tax payments or other government-ordered payments or filing to be overdue or inaccurately filed.
- EL 2.5:** Consolidated operations to generate inadequate net income at year end or quarterly projections that show there will be inadequate net income at year end.
- EL 2.6:** Financial record-keeping systems to be inadequate or out of conformity with generally accepted accounting practices (GAAP).
- EL 2.7:** A failure to provide the Board, on at least a quarterly basis, with an accurate balance sheet, statement of cash flows, net income statement, and such additional indices and reports as the General Manager deems useful to the Board in the discharge of its fiduciary responsibilities.

This policy will be monitored quarterly.

EL 3 – Asset Protection

The General Manager shall not allow assets to be unprotected, unreasonably risked, or inadequately maintained.

Further, without limiting the scope of the foregoing by this enumeration, the General Manager shall not allow:

EL 3.1 Inadequate security of premises and property.

EL 3.2 Uncontrolled purchasing or purchasing subject to conflicts of interest.

EL 3.3 Lack of due diligence in contracts and real estate acquisitions.

EL 3.4 Uninsured, inadequately insured, or otherwise irreplaceable equipment and facilities, considering potential damage or destruction.

EL 3.5 Unnecessary exposure to liability or lack of insurance protection from claims of liability.

EL 3.6 Unprotected data, intellectual property, information, or files, considering potential loss, theft, or significant damage.

EL 3.6.1 Inadequate documentation, security, and centralized retention of personnel records and all personnel-related decisions.

EL 3.7 Damage to the Co-op's good will, its public image, its credibility, or its ability to accomplish Ends.

EL 4 – Member/Shopper Experience

The General Manager shall not cause or allow conditions, procedures, or decisions that fail to reflect the high standard of customer service that the public should expect of a consumer cooperative.

Accordingly,

EL 4.1: The General Manager shall not cause products to be offered for sale that are unreasonably dangerous to human health.

EL 4.1.1: Because the serious health hazards of tobacco products are contrary to the Co-op's ends, values, and mission, the GM shall not cause or allow the sale of tobacco products at the Co-op.

EL 4.2: The General Manager shall not fail to respect the privacy of any information customers share with the cooperative.

EL 4.3: The General Manager shall not fail to treat customers respectfully, courteously and helpfully.

EL 4.4: The General Manager shall not fail to act in the best interests of consumers when choosing products for retail sale, determining their prices, and providing information about such products.

EL 4.5: The General Manager shall not fail to establish a clear understanding with customers of what may be expected and what may not be expected from the service offered.

EL 4.6: The General Manager shall not fail to provide a mechanism for customers to express concerns to the management and to respond to such expressions of concerns on a timely and responsive basis.

EL 5 – Employee Experience

The General Manager shall not treat employees in any way that is unfair, unsafe, unclear, or otherwise interferes with their ability to do their jobs.

The General Manager shall not

EL 5.1 Operate without written personnel policies and documentation that:

EL 5.1.1 Clarify rules and employment expectations for employees.

EL 5.1.2 Provide for fair and thorough handling of grievances.

EL 5.1.3 Are accessible to all employees.

EL 5.1.4 Inform employees that employment is neither permanent nor guaranteed.

EL 5.3 Deny employees the opportunity to participate meaningfully in achieving business success for their departments, their stores, and the cooperative as a whole, in part through appropriate training programs for new employees and employees new to their positions.

EL 5.4 Operate without objective, quantifiable measures of employee opinion and report the results to the Board at least every three years.

EL5.5 . Permit employees to be without adequate protection from harassment.

EL 5.6 Allow management/supervisory personnel to be uninformed about effective handling of performance and corrective action issues.

EL5.9 Retaliate against any employee for non-disruptive expression of dissent.

EL 5.10 Allow employees to be exposed to unreasonably hazardous conditions.

EL 5.11 Allow the use of tobacco products on property owned or leased by the Co-op except in designated areas as indicated in the Employee Handbook.

EL 5.12 Allow anyone other than the General Manager to set the parameters for what constitutes proper cause for corrective action, including discharge.

EL 6 – Compensation and Benefits

With respect to employment, compensation, and benefits to employees, consultants, and contract workers, the General Manager may not allow the fiscal integrity or public image of the Co-op to be jeopardized.

Accordingly, the General Manager shall not:

EL 6.1: Establish compensation and benefits which:

Are based on revenues that cannot be safely projected.

Are internally inconsistent.

EL 6.2: Change his/her own compensation and benefits, except as those benefits are consistent with a package for all other employees.

EL 7 – Communication and Counsel to the Board

The General Manager shall not cause or allow the Board to be uninformed or unsupported in its work. Accordingly, the General Manager will not

- EL 7.1:** Submit monitoring data that is untimely, inaccurate, or hard to understand.
- EL 7.2:** Fail to report, or report in an untimely manner, any actual or anticipated noncompliance with any policy of the Board.
- EL7.3:** Allow the Board to be unaware of relevant trends, public events of the Cooperative, or internal and external changes that may be important to the Board or
 - EL 7.3.1:** concern which employees report directly to the general manager or the job responsibilities of such employees,
 - EL 7.3.2:** arise out of contact with, or actions by, government instrumentalities or other institutions that have significant impact on the affairs of the cooperative,

 - EL 7.3.4:** involve matters that members, government authorities or the general public would reasonably expect the Board to be aware of.
- EL 7.4:** Withhold his/her opinion if the General Manager believes the Board is not in compliance with its own policies on Governance Process and Board-Management Delegation, particularly in the case of Board conduct that is detrimental to the work relationship between the Board and the General Manager.
- EL 7.5:** Deal with the Board in a way that favors or privileges certain Board members over others except when (a) fulfilling individual requests for information or (b) responding to officers or committees duly charged by the Board.
- EL 7.6:** Fail to supply for the Board's agenda all decisions delegated to the General Manager yet required by law, regulation, or contract to be Board-approved.
- EL 7.7:** Fail to supply direct evidence to the Board on a timely basis that the Cooperative is in compliance with all obligations that may trigger the personal legal liability of Board members.

EL 9 – Cooperative Giving Programs

The General Manager shall not allow the board to be without administrative support for the board's Cooperative Giving Programs; neither shall the General Manager allow operational conduct which may jeopardize any of the Co-op's giving programs.

Accordingly, the General Manager shall not:

EL 9.1 Allow procedures, record keeping, and reporting which are inadequate to sustain the integrity of each program's image, charitable status, and/or external agreements where applicable.

EL 9.1.1 Allow the HCCF Advisory Committee to be without the information it needs to report in accordance with the TPCF contract requirements.

EL 9.2 Allow potential recipients to be uninformed about opportunities and qualifications for application for program benefits.

EL 9.3 Allow inadequate fundraising initiatives for the collection of funds sufficient to meet the needs of each of the programs.

EL 9.3.1 Allow the endowment of the HCCF to decrease in real value due to inflation.

EL 9.3.2 Allow members and customers to be unaware of the option to donate to the HCCF.

EL 9.4 Include as recipients of the Co-op's giving programs those organizations that

- are for-profit;
- discriminate on the basis of race, creed, gender, national origin, age, sexual orientation, or physical disability;
- do not primarily benefit Upper Valley communities and their citizens; or
- are fund-raising for programs that are intended to advance a particular religious belief or particular political position.

EL 9.5 Provide the cooperative's support to causes other than the following categories:

- Food assistance,
- Community building (including support of regional agriculture),
- Promotion of cooperative principles and activities, and
- Environment, energy and sustainability.

EL 10 – Appropriate Architecture and Design

When constructing new buildings, or substantially modifying existing buildings, the General Manager shall not fail to consider the importance of building design and architecture to:

EL 10.1: The human spirit, customer and employee satisfaction, and the community served by the cooperative;

EL 10.2: The possible impact on other relevant board policies, particularly those relating to the environment, customer service, and the financial success of the organization.

This policy will be monitored in November, by report of the General Manager during the programmatic phase of architecture or design, and at any additional time the General Manager thinks is appropriate.

EL 12 – Board Logistical Support

The General Manager will not allow the Board to have inadequate logistical support.

Accordingly, the General Manager will not:

- EL 12.1:** Provide the Board with insufficient employee administration to support governance activities and Board communication.
- EL 12.2:** Allow the Board to be without a workable mechanism for official board, officer or committee communications.
- EL 12.3:** Allow Board members to be without an updated copy of the Policy Register and the Bylaws.
- EL 12.4:** Provide inadequate information and notice to members concerning Board actions, meetings, activities and events.

EL 14 - Cooperation Among Cooperatives

Our cooperative is deeply committed to the sixth cooperative principle, which reflects a commitment to cooperation among cooperatives.

Accordingly, the General Manager shall not fail to:

EL 14.1: Operate our Co-op in a manner designed to recognize the spirit of cooperation expressed in Cooperative Principle 6.

B-GM Global – Board-GM Flow of Authority

The Board of Directors is a policy-making body. The Board oversees the cooperative exclusively by drafting and monitoring compliance with policies that are binding on the General Manager. Thus the Board's link to the cooperative is exclusively through the General Manager. The General Manager will be in active communication with the Board and may also, on occasion, delegate this responsibility to others. If so, the General Manager is responsible for and will be bound by such communications.

B-GM I – Unity of Control

Only decisions of the Board acting as a body are binding on the General Manager.

Accordingly,

B-GM 1.1: Decisions or instructions of individual board members, officers, or committees are not binding on the General Manager except in rare instances when the Board has specifically authorized such exercises of authority.

B-GM 1.2: In the case of Board members or committees requesting information or assistance without Board authorization, the General Manager can refuse such requests that require, in the General Manager's opinion, a material amount of employee time or funds, or are disruptive.

B-GM 2 – Accountability of the GM

The General Manager is the Board's only link to operational achievement and conduct.

B-GM 2.1: The Board will view General Manager performance as identical to organizational performance so that organizational accomplishment of Ends and organizational operation within Executive Limitations will be viewed as successful General Manager performance.

B-GM 2.2: The Board will not instruct or evaluate any employee other than the General Manager.

B-GM 3 – Delegation to the GM

The Board will instruct the General Manager through written policies that prescribe the organizational Ends to be achieved and describe organizational situations and actions to be avoided, allowing the General Manager to use any reasonable interpretation of these policies.

Accordingly,

- B-GM 3.1:** The Board will develop policies instructing the General Manager to achieve certain results, for certain recipients, at an appropriate cost. These policies will be developed systematically from the broadest most general level to more defined levels, and will be called Ends policies.
- B-GM 3.2:** The Board will develop policies that limit the latitude the General Manager may exercise in choosing organizational means. These policies will be developed systematically from the broadest most general level to more defined levels, and will be called Executive Limitations policies.
- B-GM 3.3:** As long as the General Manager uses any reasonable interpretation of the Board’s Ends and Executive Limitations policies, the General Manager is authorized to establish all further policies, make all decisions, establish all practices, and develop all activities.
- B-GM 3.4:** The Board may change its Ends and Executive Limitations policies, thereby shifting the boundary between Board and General Manager domains. By doing so, the Board changes the latitude of choice given to the General Manager. But as long as any particular delegation is in place, the Board will respect and support the General Manager’s choices.

B-GM 4 – Monitoring GM Performance

Systematic and rigorous monitoring of General Manager performance will be solely against the only expected General Manager job outputs: organizational accomplishment of Board policies on Ends and organizational operation within the boundaries established in Board policies on Executive Limitations.

Accordingly,

- B-GM 4.1:** Monitoring is simply to determine the degree to which the Board policies are being met. Therefore, the General Manager shall define metrics to measure results, set standards, and provide data that show performance relative to those standards.
- B-GM 4.2:** The Board will acquire monitoring data by one or more of three methods:
- (a) by internal report, in which the General Manager discloses compliance information to the Board;
 - (b) by external report, in which an external, disinterested third party selected by the Board assesses compliance with board policies, and
 - (c) by direct Board inspection, in which a designated member or members of the Board assess compliance with the appropriate policy criteria.
- B-GM 4.3:** In every case, the standard for compliance shall be any reasonable General Manager interpretation of the Board policy being monitored.
- B-GM 4.4:** All policies that instruct the General Manager will be monitored at a frequency and by a method chosen by the Board. The Board can monitor any policy at any time by any method, but will ordinarily depend upon a routine schedule.
- B-GM 4.5:** The Board will review the performance of the General Manager annually based on a summary of the monitoring reports received during the previous calendar year.
- B-GM 4.5.1:** The Board will complete its review and consider possible action with regard to the General Manager’s employment and/or adjustment to the General Manager’s compensation no later than 1 March.
 - B-GM 4.5.2:** A letter summarizing the review and possible adjustment to the employment and compensation rate of the General Manager will be prepared by the President, approved by the Board members in attendance at the regular March Board Meeting, and hand-delivered to the General Manager within two weeks following.

GP Global – Governance Process Commitment

The purpose of the Board, acting on behalf of the Co-op members, is to set strategic, long-range direction, hire the General Manager and monitor organizational performance, monitor Board performance, and provide effective leadership using the Policy Governance process.

GP I – Governing Style

The Board will govern with an emphasis on strategic leadership and outward vision.

Accordingly,

GP 1.1: The Board will be an initiator of policy that:

GP 1.1.1: is written,

GP 1.1.2: reflects its values and perspectives about ends to be achieved and means to be avoided, and

GP 1.1.3: is focused on the long-term effects outside the organization.

GP 1.2: The Board will:

GP 1.2.1: encourage diverse viewpoints,

GP 1.2.2: make collective decisions, and

GP 1.2.3: maintain a clear distinction between Board and GM roles.

GP 1.2.4: make all significant and important decisions formally by Board vote.

GP 1.3: The Board will strive for excellence through:

GP 1.3.1: group responsibility,

GP 1.3.2: discipline, meaning regular attendance, being prepared for meetings, following policy-making principles, and respecting one another's roles,

GP 1.3.3: Board development and orientation, and

GP 1.3.4: self-monitoring of the Board's process and performance.

GP 2 – Board Deliverables

As an informed agent of the member-ownership, the Board's specific job products are those that ensure appropriate organizational performance.

Accordingly, the Board has direct responsibility to produce:

GP 2.1 Board decisions that reflect member-owners' values and needs.

GP 2.2 Written governing policies that, at the broadest levels, address each category of organizational decision:

Ends: Organizational products, effects, benefits, outcomes, for intended recipients, and their relative worth (what good for which recipients at what cost).

Executive Limitations: Constraints on executive authority that establish the prudence and ethics boundaries within which all executive activity and decisions must take place.

Governance Process: Specification of how the Board conceives, carries out, and monitors its own task.

Board-GM Linkage: How power is delegated and its proper use monitored; the GM role, authority, and accountability.

GP 2.3 Assurance of organizational performance on Ends and Executive Limitations.

GP 2.3.1 Continuity of the GM function.

GP 2.3.2 Structured monitoring of the GM as outlined in Board-Management Delegation policies.

GP 2.4 Operational decisions that the Board has prohibited the GM from making by its Executive Limitations policies.

GP 3 – Governance Development

The board will invest in its governance capacity. Board skills, methods, and supports will be sufficient to assure governing with excellence while incurring prudent costs.

Accordingly,

GP 3.1 All directors will show a willingness to learn and work within the Policy Governance model.

GP 3.2 New and veteran board members will be provided with the skills and knowledge necessary to discharge their responsibilities most effectively.

GP 3.2.1 The board will invest in outside consultation to provide governance skills.

GP 3.2.2 Board members will participate in CCMA, attend NFCA events and cooperative development training sessions, visit other co-ops, and attend the board meetings of other co-ops.

GP 3.3 Outside monitoring will be arranged so that the Board can exercise confident control over the organizational performance. This includes, but is not limited, to fiscal audit and legal services.

GP 3.3.1 The Board will hire independent, third-party representatives, monitors and/or auditors at rates that are consistent with prevailing market rates for such services in the Upper Valley. The costs of such services should fit within the stated guidelines for the Board's total budget.

GP 3.4 Outreach mechanisms will be used as needed to ensure the Board's ability to listen to member viewpoints and values.

GP 3.5 While the Board will always be vigilant to avoid unnecessary or irresponsible expenses, it is anticipated that the total budget for the Board will typically be in the range of one-tenth to two-tenths of one percent of the organization's total revenues.

GP 3.5.1 The Board shall develop and monitor an annual budget within GP 3.1 limits that includes expense categories that are consistent with the needs of the Board to carry out its other governance and fiduciary responsibilities.

GP 3.5.2 The Board shall develop and follow a budgetary process and schedule that includes the steps needed to put together the budget from the assembling of initial data to the final Board approval, with that approval occurring no later than three months before the start of the budget year.

GP 3.5.3 The Board shall monitor its compliance with agreed upon expenditure limits through review of quarterly reports of Board budgeted and actual expenditures provided by the General Manager.

GP 3.5.4 The Board shall develop and follow a process for making changes in the budget during the budget year that balances the need for quick action and the need for all Board members to have the opportunity to review and approve the budget changes.

GP 3.5.4.1: After approval of the final budget, and during the budgetary year, the Board needs to approve of any increases to budget allocations.

GP 4 – Board Members’ Code of Conduct

The Board commits itself and its members to ethical, businesslike, and lawful conduct, including proper use of authority and appropriate decorum when acting as Board members. Accordingly,

GP 4.1 Board members must represent unconflicted loyalty to the interests of the ownership. This accountability supersedes any conflicting loyalty such as that to advocacy or interest groups and membership on other boards or employees. It also supersedes the personal interest of any Board member acting as a consumer of the organization’s services.

GP 4.2 Members must avoid conflict of interest with respect to their fiduciary responsibility.

GP 4.2.1 Board members must disclose and address conflicts of interest with respect to their fiduciary responsibilities to the Cooperative. A Board member has a conflict of interest within the meaning of this policy when s/he or a family member has a material financial interest in an issue or matter pending for discussion or decision by the Board and Management.

GP 4.2.1.1 For purposes of this policy, a “family member” is a Board member’s spouse, domestic partner, or child, as well as the spouse of a Board member’s child or other relative of a Board member living in the same household as the Board member.

GP 4.2.1.2 For purposes of this policy, a “material financial interest” is (1) an ownership or investment interest in an entity whose transactions, arrangements, potential transactions or potential arrangements with the Cooperative are before the Board or Management, (2) a compensation arrangement, including an employment relationship, with any such entity, (3) fiduciary duties, as a Board member or otherwise, or executive-level management authority at any such entity, or (4) direct personal participation (other than as a Board member) in a pending matter before the Board. A person who owns shares in a mutual fund does not have a “material financial interest” as to any of the fund’s holdings unless the Board or family member directs or advises the fund in connection with portfolio transactions.

GP 4.2.1.3 An employee member who becomes a Board member does not have a “material financial interest” by virtue of her or his employment relationship to the Cooperative.

GP 4.2.2 When a conflict of interest exists, a Board member must take one of two actions to address the conflict: (1) The Board member may advise the President, either in writing or at a Board meeting, that the Board member has a conflict of interest, and thereafter the Board member must absent herself or himself from all discussions and voting of the Board on any matter related to the conflict of interest. (2) The Board member may advise the Board that a conflict of interest exists and may ask the Board to waive the conflict and permit the Board member to participate in discussion and voting on the matter. In the second circumstance, the Board member may participate in discussion and voting on the matter only by affirmative vote of the other Board members present and the Board may impose such conditions on the Board member’s participation as the Board deems necessary to assure openness, competitive opportunity, access to inside information and the public perception that the Board is conducting its business fairly and ethically.

- GP 4.2.3** Board members may not use their positions on the Board to obtain employment for themselves, family members, or close associates. A Board member wishing to pursue employment with the Cooperative may only do so after she or he has resigned or her or his term of office has expired.
- GP 4.2.4** Upon taking office as a Board member, and prior to the May Board meeting of each year thereafter, each Board member shall report to the President, on a form approved by the Board, the existence of any actual conflict of interest or any other conflict of interest that the Board member has reason to believe may arise during the ensuing year. In addition, each Board member shall promptly report to the President any new conflict of interest that arises during the year.
- GP 4.3** Board members may not attempt to exercise individual authority over the organization except as explicitly set forth in the board policies. Board members' interaction with the General Manager or with employees must recognize the lack of authority vested in individuals except when explicitly board-authorized. Board members' interactions with public, press, or other entities must recognize the same limitation and the inability of any board member to speak for the board except to repeat explicitly stated board decisions.
- GP 4.4** Board members will respect the confidentiality appropriate to issues of a sensitive nature.
- GP 4.5** Board members are not required to provide any personal data to the Co-op as a condition of Board service, except insofar as the Co-op requires such information to comply with applicable federal or state law. Board members must provide such information and otherwise comply with applicable legal requirements when the Co-op identifies the specific statute or rule involved and furnishes the applicable forms and instructions.
- GP 4.6** In order to contribute to the board, board members must be capable of a high standard of behavior and performance.
- GP 4.6.1** They must be civil, courteous, and professional.
- GP 4.6.2** They must communicate effectively with the rest of the board.
- GP 4.6.2.1** Directors will respond to communication out of board meetings in a timely fashion.
- GP 4.6.3** They must fulfill commitments made during board meetings.
- GP 4.6.4** They must be able to deliberate thoughtfully and assertively, showing full respect for others' opinions.
- GP 4.7** Expectations are that directors adhere to the proper time commitments to conduct board business. This includes the following (with approximate time requirements):
- GP 4.7.1** Preparation for and attendance at monthly board meetings (6-8 hours per month).
- GP 4.7.2** Participation in various working groups (e.g., committee work) during the month (2-3 hours per month).
- GP 4.7.3** Participation in the planning and conduct of the Annual Meeting (a few hours plus the meeting each year).
- GP 4.7.4** Participation in events, such as Producers Fair, and in ballot counting. (Several hours a few days each year).
- GP 4.7.5** Attendance at an annual board retreat (a day-long session).

GP 5 – President’s Role

The Board President assures the integrity of the Board’s process and, secondarily, occasionally represents the Board to outside parties.

Accordingly,

GP 5.1: The job result of the President is that the Board behaves consistently with its own rules and those legitimately imposed upon it from outside the organization.

The President will assure that meeting discussion content will be only on those issues, which according to board policy, clearly belong to the Board to decide, not the GM.

The President will assure that deliberation will be fair, open and thorough but also timely, orderly and kept to the point.

The President will call for a vote on all seconded motions from the floor.

The President will assure that all decisions are voted.

The President will assure that diverse viewpoints are allowed to be presented at Board meetings and that all Board members are free to present their views to the Board.

Appendix 2 – Monitoring Report Guidelines

The Board monitors compliance with its governance policies via written reports by the General Manager (GM) on individual Executive Limitations (ELs) and Ends Global, and seeks to improve its own performance by Board self-evaluation on Governance Process (GP) and Board-GM Relations (B-GM). The Board maintains a Monitoring Calendar (see Appendix 1) to ensure consistent monitoring over the course of a Board year.

Board self-evaluation is via written report prepared by a designated board member who supports his/her conclusions with examples acquired through survey, interviews, meeting minutes, personal observation, or other means, as appropriate. Board discussion then revolves around means for self-improvement.

1. **Distribution:** The appropriate monitoring reports for the month are included in the Board’s meeting packet. Packets are distributed to all Board members in advance of the meeting.
2. **Read:** Board members read the reports in advance of the monthly meeting to prepare for Board action. For ELs and the Ends Global report, Board members examine the report to determine if:
 - a. The GM’s interpretation of the policy is reasonable,
 - b. the data provided is adequate to support the report’s conclusion,
 - c. the report shows compliance with the Board’s policy. If not in compliance, Board members consider the severity, implications, and trends to prepare for discussion at the Board meeting.

For GP and B-GM survey reports, Board members examine the report to determine areas for self-improvement. Board members come prepared for discussion at the Board meeting. Areas for self-improvement become part of the Board’s Governance Action Plan.

3. **Questions:** Directors are strongly encouraged to ask the General Manager questions about the GM reports before the meeting or during breaks to help optimize usage of the full board's time. Questions to help the Board understand the report and/or determine Board action are appropriate for the Board meeting.
4. **Board Action on ELs and Ends monitoring reports:** The Board President calls for a motion for Board action for each monitoring report and its conclusions. Sample motions for assessment of ELs and Ends monitoring reports are:
 - a) That the Board has assessed the monitoring report for policy “X” and finds that it demonstrates compliance with a reasonable interpretation of the policy.
 - b) That the Board has assessed the monitoring report for policy “X” and finds that it demonstrates compliance with a reasonable interpretation of the policy except for items(s) “xx”, for which the Board expects a reasonable interpretation by (date).
 - c) That the Board has assessed the monitoring report for policy “X” and finds that it demonstrates compliance with a reasonable interpretation of the policy except for the stated non-compliance with item (s) “xx”, which the Board acknowledges and accepts the planned date for compliance.
 - d) That the Board has assessed the monitoring report for policy “X” and acknowledges the non-compliance and accepts the planned date for compliance.

- e) That the Board has assessed the monitoring report for policy “X” and finds it does not demonstrate compliance with a reasonable interpretation of the policy. The Board expects the report to be resubmitted by (date).
5. **Minutes:** The meeting minutes document the Board’s receipt of and action regarding monitoring reports. Minutes create a clear paper trail that demonstrates the Boards due diligence in monitoring organizational performance.

Appendix 3 – Statement of Cooperative Identity

The International Cooperative Alliance, established in 1895, is considered to be the final authority for defining cooperatives and the principles by which they operate. The organization has made three formal statements of cooperative principles over the past 100 years in an effort to keep them relevant to the contemporary world. At its 100th anniversary meeting in September, 1995 in Manchester, England, the Alliance adopted the following “Statement of Cooperative Identity.”

Definition

A cooperative is an autonomous association of persons united voluntarily to meet their common economic, social and cultural needs and aspirations through a jointly-owned and democratically controlled enterprise.

Values

Cooperatives are based on the values of self-help, self-responsibility, democracy, equality, equity, and solidarity. In the tradition of their founders, cooperative members believe in the ethical values of honesty, openness, social responsibility, and caring for others.

Principles

The cooperative principles are guidelines by which cooperatives put their values into practice.

1. **Voluntary and Open Membership.** Cooperatives are voluntary organizations, open to all persons able to use their services and willing to accept the responsibilities of membership, without gender, social, racial, political, or religious discrimination.
2. **Democratic Member Control.** Cooperatives are democratic organizations controlled by their members, who actively participate in setting their policies and making decisions. Men and women serving as elected representatives are accountable to the membership. In primary cooperatives members have equal voting rights (one member, one vote), and cooperatives at other levels are also organized in a democratic manner.
3. **Member Economic Participation.** Members contribute equitably to, and democratically control, the capital of their cooperative. At least part of that capital is usually the common property of the cooperative. Members usually receive limited compensation, if any, on capital subscribed as a condition of membership. Members allocate surpluses for any of the following purposes: developing their cooperative, possibly by setting up reserves, part of which at least would be indivisible; benefiting members in proportion to their transactions with the cooperative; and supporting other activities approved by the membership.
4. **Autonomy and Independence.** Cooperatives are autonomous, self-help organizations controlled by their members. If they enter into agreements with other organizations, including governments, or raise capital from external sources, they do so on terms that ensure democratic control by their members and maintain their cooperative autonomy.
5. **Education, Training and Information.** Cooperatives provide education and training for their members, elected representatives, managers, and employees so they can contribute effectively to the development of their cooperatives. They inform the general public – particularly young people and opinion leaders – about the nature and benefits of cooperation.
6. **Cooperation Among Cooperatives.** Cooperatives serve their members most effectively and strengthen the cooperative movement by working together through local, national, regional, and international structures.
7. **Concern for Community.** Cooperatives work for the sustainable development of their communities, through policies approved by their members.

Capital

SECTION 1.

Stock. There shall be authorized two classes of stock in the Cooperative:

- a. Class A shares, which shall have a par value of five dollars, are shares issued by the Cooperative in consideration for becoming a Member of the Cooperative.
- b. Class B shares, which shall likewise have a par value of five dollars, are shares issued only to Members as patronage refunds in lieu of cash payments. Class B shares may or may not have a fixed maturity date.

The issuance of all shares shall be in compliance with the Cooperative's Bylaws and Certificate of Organization and with the laws of New Hampshire and the United States, including their securities laws and laws concerning consumer cooperatives.

There shall be no fractional shares. Shares may be issued without certificate except as required by law.

SECTION 2

Dividends. Maturity Date. There shall be no dividends paid on Class A or Class B shares. The Board of Directors may require that any Class B shares distributed as Net Savings (patronage refund) have a fixed maturity date. The maturity date shall be as determined by the Board of Directors prior to the distribution of the shares as patronage refund. The terms of share redemption upon maturity shall be as determined by the Board of Directors in place at the time of the share redemption.

SECTION 3

Call for Payment. When the Board of Directors determines that the Cooperative has sufficient working capital, the Board may in its discretion call Class B shares for payment at par. The Board, in its discretion, may call Class B shares prior to their fixed maturity date and may elect to call only Class B shares having a specified maturity date and not call Class B shares of a different maturity date.

SECTION 4

The Board of Directors may in its discretion authorize the redemption of shares so tendered. The redemption proceeds shall equal either the par value or the book value of the stock, whichever is less.
- c. If the Cooperative does not, within 60 days of the tender, purchase all or any part of the holdings

tendered, the Member may dispose of the unpurchased interest elsewhere, subject to the approval of the transferee by a majority vote of the Directors. Any would-be transferee not approved by the Directors may appeal to the Members at their first regular or special meeting thereafter, and the action of the meeting shall be final. A vote of the majority of the Members voting at a regular or special meeting may order the Directors to exercise their redemption power or approve of the transferee.

- d. The Directors may use reserve funds to recall, at par value, the holdings of any Member in excess of the amount required for Membership.
- e. When a Member dies or, in the case of an organization, ceases to exist, or when a Member makes no purchases from the Cooperative for a period of three years, the Board of Directors may redeem shares owned by such Member at par value.

SECTION 6

Unclaimed Shares. The Net Savings, patronage refund, share capital and Membership interest of a person (or entity) in the Cooperative shall be placed in the reserve fund and shall revert to the Cooperative upon determination that it has been abandoned as provided by NH RSA 301-A.

SECTION 6A

Transitional Provisions Regarding Stock.

- a. The Board of Directors may offer and issue new Class B shares having a fixed maturity date (New Class B shares) to members holding Class B shares as of May 1, 2017 (Old Class B shares). The maturity date shall be set by the Board of Directors, as shall all other terms of the exchange except as provided in these Bylaws. The offer shall be duly noticed to all members at their last known address and the offer shall remain open for a period of time not to exceed 5 years from the date of the offer.
- b. All Old Class B shares shall be cancelled upon a member's acceptance of the Cooperative's offer of New Class B shares in exchange for Old Class B shares. At the end of the 5 year exchange period all Old Class B shares which have not been exchanged for New Class B shares shall be cancelled and the holder of said Old Class B shares shall not receive any compensation of any kind in exchange for the cancellation of the Old Class B shares.
- c. This section 6A shall cease to be a part of the Bylaws on the fifth anniversary of the offer, the purpose of section 6A having been served.

SECTION 7

Lien on Capital. The Cooperative shall have an absolute lien on the share or loan capital, and on the interest due thereon, of any Member or any subscriber to share capital for debts owned by said Member or subscriber to the Cooperative.

SECTION 8

Reserve Fund. The Cooperative shall maintain a reserve fund consisting of an annual allotment of not less than ten percent (10%) of the net savings of the business for each year, contributions from individuals, confiscated capital of removed Members, and any other funds appropriated to it by action of the Board of Directors or the general Membership meetings; provided however, that in the event that said reserve fund exceeds 30% of both the paid-in and subscribed capital determined as of the end of the fiscal year, then the annual allotment to the reserve fund shall be determined by the Board of Directors. The reserve fund shall be the indivisible property of the Cooperative as a whole and shall not be depleted by payment of patronage refunds.

ARTICLE VIII

Distribution of Net Savings

SECTION 1.

Division of Net Savings. Following the close of each fiscal year the Net Savings (as defined by the New Hampshire

Consumer Cooperative Act RSA 301-A or its successor, “the Act”) for the year shall be allocated to all patrons in proportion to their patronage; provided that the Net Savings may be retained to expand the Cooperative’s services or to reduce charges to its Members or patrons. The Board of Directors shall apportion the Net Savings of the Cooperative in accordance with the Act.

SECTION 2.

Manner of Distribution of Patronage Refunds. The Board of Directors shall first consider apportionment to the general reserve and/or to an educational reserve in accordance with the Act. The Cooperative shall distribute patronage refunds to patrons in cash, written notices of allocation, credit toward purchases at the Cooperative, or credit toward payment of Class A or Class B stock (if permitted by law and these Bylaws), subject to the limitations in sections 3 and 4 below.

SECTION 3.

When necessary to meet the capital needs of the Cooperative, the Board may determine that up to 80 percent of an annual patronage refund shall be distributed to Members in the form of Class B shares or other written notice of allocation.

SECTION 4.

A non-Member patron shall receive patronage refunds only in the form of Class A shares until such non-Member patron owns at least ten such shares, and only then upon registering with the Cooperative and presenting satisfactory evidence of the applicable purchases. A subscriber patron shall receive patronage refunds in the form of credit to the patron’s account until the amount of capital subscribed for has been fully paid.

Co-op Initial donation amount:

\$ 5000

Hanover Consumer (Co-op sponsor) will establish our own local Cooperative Community Fund as a separate fund administered within Twin Pines Cooperative Foundation (TPCF). This fund will be titled:

Hanover Cooperative Community Fund.

TPCF will match up to a maximum of \$5,000 dollar for dollar to the fund for non-California Funds and \$10,000 for California Funds. The TPCF match is only available through December 31, 2000 for non-California Co-ops and December 31, 2001 for Californian Co-ops.

Hanover Consumer Co-op agrees to commit at least \$10,000 of our own co-op funds within the next five years to our Cooperative Community Fund.

We agree to commit to a goal of building our Cooperative Community Fund to a minimum of \$50,000 at the end of the first five years.

Hanover Consumer Co-op agrees to develop a local Trustee Advisory Committee. This group will have the responsibility of looking at the ways to increase donations and conduct fundraising from the local cooperative and the local community. In addition, the Trustees would advise the Board of Directors of TPCF.

We would like TPCF to disburse the donations based upon documentation from us. Preferably on an annual basis, but no more than quarterly we will provide, in writing, information to TPCF as to whom we recommend donations from our fund go to (including names, address and amounts of money to be donated.) TPCF will send checks to these recipients within one week of receiving information from the co-op.

By signing this agreement, we agree to the following Program details:

- Each sponsor Co-op will establish their Cooperative Community Fund as a separate fund administered within TPCF.
- TPCF has set aside \$125,000 of our resources to develop a matching fund program to support this initiative. \$100,000 will target co-ops in California and \$25,000 to match Sponsor Co-ops outside of California. This money would be available until December 31, 2001.
- TPCF commits to matching on a dollar for dollar basis every dollar contributed to the fund by the Sponsor Co-ops. The maximum amount contributed to each AC member co-op Community Fund would be \$10,000. The maximum amount contributed to other co-op participants would be \$5,000.
- Each participating AC Member Co-op would commit at least \$10,000 to their Cooperative Community Fund to also match the contributions of their members. Smaller AC co-ops would be allowed to start with a commitment of \$1000. The co-op can take up to 5 years to reach the match. Each AC Member Co-op would commit to a goal of building the Cooperative Community Fund to a minimum of \$50,000 at the end of the first five years.
- Each Cooperative will nominate a person to sit on the CCF Advisory Committee to Twin Pines. Twin Pines will host two meeting per year for this group, either through teleconference or meetings at CCMA.
- Fiscal year end is October 31. Whatever funds are in the account by this date, times interest money earned is what is credited to the sponsor coop's account for the following year. Prior to January 1st each year, TPCF will provide written notification to Sponsor Co-op about the funds available for each year.
- TPCF will provide marketing materials that can be tailored for use by the individual co-ops in their local community. The sponsor co-op is responsible for the reproduction costs. We also understand that we will need to provide staff and marketing of our own to make our fund grow.
- Each sponsor co-op provides a quarter page ad and editorial space in its newsletter to highlight the activities of the local sponsor co-op's CCF activities. Twice a year, TPCF is permitted to provide copy for the ad space that highlights the national work of the CCF's and TPCF. On its part, TPCF will develop a WEB page for the CCF program with a section for each Sponsor Co-ops.

TPCF Fund Investment Policy:

All funds will be invested in Certificates of Deposit until the overall fund balance reaches \$500,000. A lower cap amount may be decided upon by the Advisory Committee and suggested to the Twin Pines Board.

Once the overall funds reach this specified balance, we will offer two different investment programs. One will continue to be the fixed income Certificate of Deposit program, now called the "Fixed Income Program", the other a fund that may invest in other options, now called the "Investment Fund Program".

A third party fund manager will be chosen to manage the Investment Funds Program. Any costs associated with the management of this fund will be deducted from the investment fund.

In the Fixed Income Program, TPCF will invest money in Certificate of Deposits in Credit Unions, local banks, NCB Savings and other insured financial institutions. The Twin Pines Cooperative Foundation will be in a position to invest in Jumbo CD's to gain the highest interest rates available. We anticipate that jumbo yields earned by TPCF for the overall funds would be up to 1% higher.

Any changes in the existing investment policy would need a 2/3-majority vote by both the TPCF board and the Advisory Committee. Once the funds are split, a new voting policy will be adopted.

Twin Pines Cooperative Foundation would also be in a position to develop a program to raise funds from other foundations, donors and the natural foods industry. As a result, fundraising expenses would be lower as they would be spread among the funds. On the other hand, income from fundraising would be spread proportionately among the funds, allowing the funders and contributors to know that their name would be seen in a number of localities and among the 100,000 families who shop at the participating Sponsor Co-ops.

Administrative Fees:

Twin Pines has agreed to staff the complete non profit activity of the Cooperative Community Fund program, the accounting and reporting, the bank accounts and co-ordination among the local efforts.

The check stub or receipt issued locally shall be used by the individual for their tax deduction. However, when requested, TPCF will provide confirmation of eligible donations. The Twin Pines Executive Director will be available to answer questions and guide each of the local co-ops in their process. Twin Pines will generate printed materials, regular newsletter stories and leaflet copy to be modified by the local co-op. None of this work will have to be done by the local co-op. To achieve brand recognition all Sponsor Co-ops agree to call their program the Hanover Cooperative Community Fund (you choose your own first name), use the same CCF logo and presentation materials.

Each Sponsor Co-op will choose at what level of activity they wish to have their staff support development of the local Cooperative Community Fund. We see much of the work being rote after the set up of the systems. For example if the co-op adopts a change in the paperwork of the share withdrawal form it then becomes a bookkeeping transaction. If the co-op conducts a Quarterly Community Roundup then that it does that at the cash register. We have designed the program to build upon existing co-op activities that provide a simple mechanism for the customer/member to make the contribution.

To recover a portion of its costs and overhead, Twin Pines Cooperative Foundation would receive an annual sum as follows:

- Cooperative Community Fund Sponsors: ½ of 1% for Sponsor Fund levels below \$50,000, 1% for Sponsor Fund levels above \$50,000.
- In either case, the first year of participation is free. No fee will be assessed until the second time the fund passes October 31.
- Twin Pines will document on our financial statements those costs directly associated to CCF program.
- Twin Pines will carry Directors & Officers Liability insurance throughout the life of this program.

Fund Community Donations:

From the annual net income of each of the local funds donations should generally be made proportionally in the following four categories of activity:

<u>Category</u>	<u>Examples of Donations</u>
Environment	Environmental projects/Recycling/Alternative Transportation
Community	Health Care/Social Service/Service Groups/Community Events
Food & Hunger	Alternative Agriculture/Organic Farming/Food Banks/
Cooperatives	Co-op organizations/Co-op Development/Co-op Funds/Co-op Education

In the Co-op category, the Sponsor Co-ops could assign all or part of the interest from its co-op category to the establishment and funding of a local Cooperative Development Fund.

Funds could only be disbursed to groups, which are tax exempt 501© 3 organizations or meeting eligible social welfare objectives. To uphold TPCF's tax status, funds cannot be provided to groups engaged in political, lobbying or ineligible activities.

TPCF sponsorship of other eligible non-profit programs:

TPCF would be willing to adopt/sponsor other programs your co-op may be interested in setting up through a 501 © 3 organization. The fees and nature of other projects will be arrived at on an individual basis.

Transfer and separation issues:

A co-op sponsor can request to terminate their program with Twin Pines as long as the following parameter are met:

1. The transfer of funds would have to be to another 501-C-3 entity (which agrees to continue CCF program) and pass all legal requirements by the IRS non-profit tax codes.
2. Twin Pines would deduct 1% of the co-ops total fund balance for each year of participation for administration costs that Twin Pines subsidized throughout the life of the program. *→ Not to exceed a reasonable amount*
3. Twin Pines would deduct any contribution it made to the funds and/or any contributions it secured through third party entities. This deduction would be for principal only – not interest earned on these funds. *fixed amount, like \$10,000*
