MEMBER PROGRAM ENROLLMENT

YES, ENROLL ME IN THE FOOD FOR ALL PROGRAM

The Food for All program provides 10% off purchases for one year for those members who are currently recipients of food benefits. To receive this discount you must show your membership card to the cashier.

INITIAL _____ I meet the terms of the Food for All Program. I understand that I may re-apply each year for the Food for All discount, no discounts may be applied retroactively, this discount is not to be shared with other customers and Co-op Members, and that by accepting this discount I waive my right to any/all other member discounts or promotions taken at the registers.

YES, ENROLL ME IN DOUBLE UP FOOD BUCKS

Have EBT? Sign up today to receive a Double Up Coupon Card to receive 50% off fresh fruits & veggies. Present your coupon card each time you shop with your EBT card. All transactions using the Double Up Coupon must be paid with SNAP Benefits.

INITIAL _____ I meet the terms of the Double Up Bucks Program. I understand in order to use the Double Up Bucks Coupon Card I must pay by EBT card.

YES, I WANT CO-OP UPDATES!
You'll receive emails about specials, recall alerts, news, events, and classes.

YES, I'D LIKE TO PARTICIPATE!
We love our members to participate. You can sit on a committee, choose community partners, and provide feedback. We're excited this interests you too!

PURCHASE SHARES OF CAPITAL STOCK

Membership in the Co-op requires ownership of ten (10) shares of stock. Only members are eligible for membership privileges, including voting and member benefits. If you purchase fewer than ten shares at the time of enrollment, you will be a "subscriber" and will not be eligible for membership privileges until you own ten shares. The Co-op's bylaws require all subscribers to reach membership status within three (3) years of application for membership. If a subscriber does not own the required ten shares within three years of enrollment, the Co-op will close the application for membership and retain any value of any shares held by the subscriber. *Patronage refunds are not common so we suggest not relying on them, especially for membership shares.

- Full Membership: \$50 paid for ten shares of stock**
- Zero/Partial Investment: *I will purchase ten (10) shares within three (3) years to reach membership status.**
- Transfer/Amendment: Shares transferred from another membership account or amendment to the original account.**

I understand the above notice regarding Co-op Membership. I apply for membership in the Hanover Consumer Cooperative Society subject to the provisions of the Co-op bylaws and agree to the Co-op's distribution of patronage refunds as described.

A well-nourished community cultivated through cooperation.

— CO-OP VISION

WHAT IS OUR COOPERATIVE BUSINESS ALL ABOUT?

Our business thrives on membership—people who want to serve the community and own a great local business, too. This is a great primer on our business and the cooperative model:

JOINING THE CO-OP

When you join the Co-op, you not only become a member, you become an owner as well. You join forces with over 24,000 other people who believe that by pooling resources we can provide ourselves and our community with the goods and services we need.

THE CONSUMER-RUN DIFFERENCE

Since its founding (in 1936!), the Co-op has relied on the vision, involvement, and support of its members for its success. Participation is both a right and a responsibility of Co-op membership. Our members' involvement ensures that the Co-op remains a strong, responsive, consumer-run organization.

WHAT COMMUNITY OWNERSHIP MEANS

Because you and other community members own the Co-op, we work to help give back and meet the needs of our greater community through a wide variety of programs, including LISTEN Car Connects, Food for All, Double Up Bucks, Pennies for Change, and support for local farms and producers.

COOPERATIVE PRINCIPLES

The cooperative principles are guidelines by which cooperatives worldwide put their values into practice. They are:

1. Voluntary and open membership
2. Democratic member control
3. Member economic participation
4. Autonomy and independence
5. Education, training, and information
6. Cooperation among cooperatives
7. Concern for community
