Dear Board of Directors,

Thank you for awarding the 2021 Allen and Nan King Award to Good Neighbor Health Clinics. "Concern for Community" is a principle we mutually share. Your \$500 award donation brings you into the circle of care that is Good Neighbor Health Clinic and Red Logan Dental Clinic.

Covid – 19 has called upon us to provide care in new and innovative ways. As a result, partnerships with organizations like the Haven, LISTEN, and the Vermont Department of Health have grown stronger. The Clinic is responding locally to the pandemic and continues to provide the medical and dental care for which we are known. People who are vulnerable are receiving timely access to the services they need.

Thankfully, Good Neighbor and Red Logan volunteers continue to step forward to provide healthcare to those in need. I am humbled daily by the graciousness of Clinic staff, volunteers, and donors all of whom make the current work possible. Thank you.

With gratitude,

Dana Michalovic

To quote Albert Schweitzer, "The purpose of life is to serve, and to show compassion and the will to help others." The Clinics are a vital link to health and dental care for people in the Greater Upper Valley who would otherwise go without.
